

BELLA PREMIER SERIES VINYL RAILING
PRODUCT INFORMATION

Bella Premier Series Vinyl Railing is made from Compositore® — a material that contains no wood or organic fibers — and provides superior resistance to moisture, mold and warping. Featuring a lightly textured, durable finish, Bella Premier Series offers a deck board adapter that creates a flat “cocktail rail.” Brackets conceal fasteners for a clean finish and multiple infill styles are available.

FEATURES & BENEFITS

- Innovative dovetail level rail brackets allow for easy assembly
- Decorative detail on rails
- Bracket design hides unsightly fasteners to provide a clean, finished look
- Deck board adapter easily creates flat, “cocktail rail”
- Does not warp, splinter or rot
- Transferrable Limited Lifetime Warranty

Clay

COMPOSICORE®

Compositore used in our railing products, contains no wood fibers, making it water resistant meaning it will not rot, splinter, warp or stain and is resistant to mold — keeping your railing beautiful for years to come.

SOLARGUARD®

SolarGuard is a material composition that provides fade resistance* so that your outdoor living products will look good for years to come.

*Does not apply to white vinyl products.

1 1/2" Square Balusters

1 1/2" Turned Balusters

3/4" Black Round Aluminum Balusters
