OUTDOOR LIVING® 

VERSARAIL® ALUMINUM RAILING

PRODUCT INFORMATION

Rust-resistant VersaRail Aluminum Railing, with its premium powder coating, features a sleek design that pairs beautifully with any application — residential or commercial. Available with two top rail profiles, VersaRail also offers an adapter that easily allows a deck board to be added to create a flat, “cocktail rail.”

FEATURES & BENEFITS

- Balusters and rails lock together from the inside out using patented system
- Easy to install
- Deck board adapter easily creates flat, “cocktail rail”
- 2-to-3 Rail Adapter available to convert railing from 36" height to 42" height for commercial applications
- Premium powder coating provides maximum durability
- Product undergoes advanced weather testing
- Transferrable Limited Lifetime Warranty

PROLOCK®

The ProLock locking strip secures railings by connecting them from the inside out, making a clean, seamless finish for your outdoor living space.

SOLARGUARD®

SolarGuard is a material composition that provides fade resistance* so that your outdoor living products will look good for years to come.

*Does not apply to white vinyl products.
