PRODUCT INFORMATION

## DECORATIVE SCREEN PANELS

Decorative Screen Panels offer a unique and attractive way to customize an indoor or outdoor setting. Allowing for creativity with privacy screening, Decorative Screen Panels are the perfect home accent to enhance a room, patio, garden or a stylish solution for under a deck. And several of our railing products also offer options to use Decorative Screen Panels as infills. Panels can also be installed up to three high in our aluminum frame kit — creating a divider screen for increased privacy wherever it is needed under a deck.
