THE INSTADECK DIFFERENCE

InstaDeck Outdoor Flooring System is a DIY dream come true. Tiles easily snap together to create a foundation for a freestanding, ground-level deck which can be assembled on any flat surface, using minimal tools. Build a new deck in a few hours and at a fraction of the cost of a traditional deck or pavers. The integrated Step-Clip® fastening system makes installing compatible composite deck boards* fast and easy. No screws needed — just step and clip to lock deck boards securely into place.

**Sold separately*
